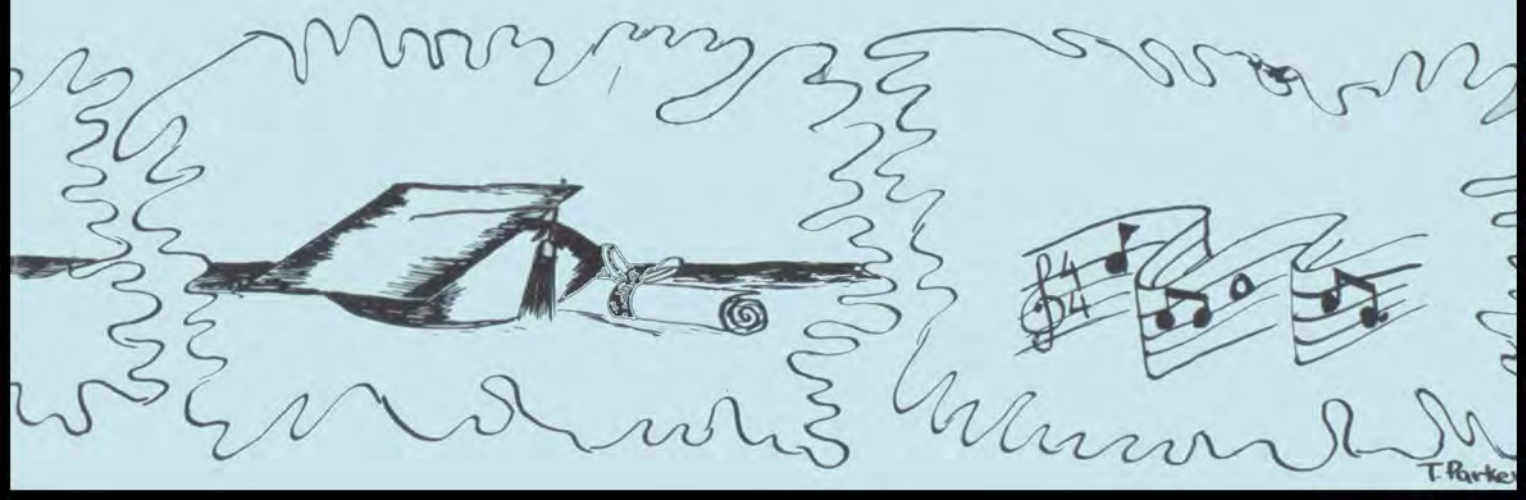
1961-62 DIARY
Dear D



T. Parker

Forward ever be our watchword—
Conquer and prevail.
Hail to thee our Alma Mater,
Walla Walla, Hail.

'Neath the range of mighty mountains,
Reared against the sky,
Proudly stands our Alma Mater
As the years go by.

Dedication

Donald A. Anderson was born in Minnesota, but raised in Montana. A graduate of the Joliet, Montana, high school, he received a degree in business administration and a teaching certificate from the University of Montana, Missoula, Montana. He earned additional credits in education and business at Washington State University, the University of Idaho and the University of Washington.

Out of a total of twenty-eight years of teaching, he has spent seventeen years at Wa-Hi teaching typewriting, shorthand, commercial law, and office machines. Before coming here though, he taught at several high schools in Montana and Washington.

Mr. Anderson says, "The students of Walla Walla High School, by their achievement and accomplishment, have earned for themselves the rating of 'best anywhere.' It has been a real pleasure for me to work the past seventeen years with such a friendly and outstanding group of young people."

The year 1961-62 at Wa-Hi has fled and within these pages is captured the history of another school year. For each of you this record is a little different, for the memories and associations are yours alone to remember. It has been a privilege to serve as president this year. I hope you have had the opportunity to learn and to grow within yourselves. Generally speaking, the unified efforts have done much to bolster the welfare of the school; and although the strides made might possibly have been greater, at least we were on the right track. Congratulations to the annual staff for this fine annual. To each and every one of you, I wish success in your chosen field of endeavor.

The pictorial events of school life provide material for a pleasurable pastime for many Wa-Hi students. To recall happy events of high school life is always a satisfying experience. The annual provides a picture history to bolster their memories of happy days. Congratulations to the staff of the Royal Blue for another outstanding year book.

So long, Seniors. Good luck and happy hunting.

K. A. Tidrick
Principal

The school year has been outstanding in many ways: school spirit and morale, scholarship, cooperation, and general attitude to mention a few. I would like to express my sincere appreciation to faculty and students alike for their part in making this an outstanding year.

W. G. Ledbetter
Vice-Principal

The staff of the Royal Blue is to be commended for adding to the rich heritage of Wa-Hi by so faithfully and energetically recording the many fine activities and accomplishments of the Student Body.

Congratulations, Seniors, on your many achievements and on your graduation. May you be a credit to your country as you have been to your school. Best wishes.

HOME

Wa-Hi's 14th annual Homecoming was kicked off Wednesday, November 1, with the erection of floats. The next day found loyal Devils, dressed in their class colors, making the yearly run to Borleske Stadium and its waiting bonfire, burning "W", and pep rally. The survivors returned to school Friday to join the Pep Assembly, which included an informal coronation, beard judging, and entertainment. A Noise Parade preceded the game against Borah, which was well played but sadly scored. The halftime show included the Sponsors, a special band routine, and presentation of the royalty. The Saturday-night dance, "Flamingo Fantasy", was well attended by both alums and students. The decorations were in orchid, pink and white; the music was stereo.

Basketball

The Blue Devils' basketball team wound up a fine season in a heroic bid for a berth at the state competition with a 47 to 43 loss to West Valley of Spokane. The narrow margin was typical of many games played this year.

The Devils finished the season with a record of 12 wins and 8 losses. Cold figures conceal the fact that many of the wins were over the top teams of the state, such as Richland and Hudson's Bay, and do not reveal an 8-game winning streak late in the season. The Lewiston Bengals, who with the Kennewick team were the only teams to defeat Wa-Hi twice, ended the season defeating the Devils and breaking the winners' luck. The only team to defeat the Blue Devils on the home maples was Mac-Hi.

The team was plagued at times by an early season weakness, excessive fouling.

Only three lettermen will graduate this spring - Jock Edwards, John Nelson, and Tom Nelson - and a strong and ample squad of underclassmen are left for next year. They include leading scorer Paul Roesch, rebounder Jim Matthews, shooter Bill Chandler, sophomore forward Gib Brumback, junior Mike Repass, forward Bob France, junior Mickey O'Neill, and sophomore Mike Malcolm.

The Blue Devil's wrestling team ended the season with a dual meet record of 7 wins against 3 losses. Losses included the season's opening match Richland, which the Blue Devils later reversed with a decisive 25-14 victory over the Bombers. The other two losses were administered by a strong Pullman Greyhound team in out-of-league competition.

The squad captured an undisputed claim to the Southern Yakima Valley Conference grappling title Feb. 8, with a 23-20 win at Kennewick. This was the first time the Devils had won the dual meet title since the conference was formed three years ago.

The future of wrestling at Wa-Hi looks bright, since the dual meet championship was won with a team in which sophomores wrestled regularly in 7 out of 12 weight divisions.

Individually, team Captain Phil Lane won 15, lost 3, and drew one. Phil lost out in district and did not go to state this year. Mike Byergo, district champion and the only Devil to enter state competition (where he had 1 win and 2 losses), compiled a season record of 18 wins and 3 losses.

Illness prevented junior Dick Langis from continuing competition this year, but next year he will be the veteran of a squad which should feature Dale Shelton, Bob Drinkard, John Crudup, Denerd Harstad, Tom Allen, Frank Monahan, Ray Biggs, and Gil McFadden.

The pride of having new uniforms is the reality of a lot of diligent work by the Pep Club. Girls in white sweaters with the devil's head emblem and blue skirts are seen on Friday during school, Pep Assemblies and at games. Because of the addition of many new members, school spirit and enthusiasm have greatly increased.

The main projects this year have been rummage sales in both fall and spring, a bake sale, and the frolic, Toyland Tumble. Miss Kinder, girls' physical education instructor, has been a great help to the club.

The girls' physical education classes participated in many activities throughout the school year. Soccer, skill tests, softball, scooter softball, basketball, volleyball, and badminton were among the activities, including class tournaments in the last three sports. During the winter months, co-educational dancing classes were held.

All girls are required to participate in two years of physical education. For each girl there is an option of two or three classes weekly while juniors and seniors may be assistants.

The Walla Walla High

Choir Officers—Tom Nelson, Garth Lindsey, and Paul Wheeler.

Performing five times in December, the Wa-Hi Choir highlighted an unusually busy holiday season with the Christmas concert and Christmas assembly. They sang for everything from the Walla Walla City Teachers' dinner to the inmates of the Washington State Penitentiary and were paroled in time to meet their other Christmas dates. Other vocal groups, the Elkettes and Sophomore Ensemble, were equally as busy.

The canaries did not terminate their activities there but prepared a joint concert with the Wa-Hi Band to obtain sound equipment for the music department. Participation in the state music contest in April and presentation of the operetta in May made the spring schedule a busy one. This year seven members of the choir, Ardith Oldridge, Linda VanHorn, Bob Ahsmuhs, Harvey Ritchie, Pat Farwell, David Smith and Garth Lindsey, were selected for the all state choir composed of students from high schools across the state. Musically, this has been an especially good year.

The assembly on firearms was enjoyed by all. Mr. Ray Sullivan, the exhibitor, revealed many interesting facts about firearms.

Boys' Fed

The Boys' Federation has been very busy this year. During the year it has accomplished much. The Boys' Federation Constitution was written. Better representation from home rooms and for the cabinet was organized. Different assemblies have been presented which have varied from films of past football games to a very interesting firearms display.

The Boys' Federation sponsored a frolic, which was quite successful, for the students. In addition, an accurate record of points for all service clubs has been kept by the federation. Throughout the entire year it has earned a reputation as a solidly helpful club by rendering both monetary and physical contribution to the various school organizations.

Mrs. Esary
Girls' League Advisor

Sandy Oleson
president

The goals of Girls' League, an organization composed of all Wa-Hi girls, are many, but all of equal importance offering many opportunities to each and every member. The execution of Girls' League duties is first discussed by the officers—a president, vice president, secretary and treasurer. The cabinet, composed of twelve department heads and their assistants, appointed and elected representatives, approve the decisions. Acting as a liason between the officers and the homerooms, the minute girls effectively further the projects and voice opinions. Assemblies, dances, sales and service projects keep everyone working; thus "cooperation has been the keyword." Cooperation and unselfish service indeed prepare the members to go through a successful "Gateway to the Future."

The Girls' League Cabinet, presided over by the Girls' League officers, was guided by the Crest president and eleven cabinet heads. First semester each cabinet head appointed a senior assistant and second semester she appointed a junior assistant. One elected and one appointed representative from each class also served a semester on the cabinet. Each cabinet head and her assistant had a specific duty to help on Girls' League projects, assemblies, promotions, or school affairs.

During night meetings the areas of character, scholarship and service have been stressed by inviting guest speakers.

"Norske Folkene" Were Highlight of Summer

During the summer of 1961, Ardith Oldridge was Wa-Hi's American Field Service foreign exchange student to Harstad, Norway. Situated 250 miles above the Arctic Circle, a colorful fishing town of 4,000 was Ardi's home away from home for two months. She lived with the Ingvald Aronsen family consisting of a business-minded papa, an industrious mama, an energetic sister, a sports-loving brother, and a darling six year old sister.

"Norske Folken" or the Norwegian people were the joy of her summer. Because they are extremely hospitable and friendly, everyone would be charmed by their company. Norwegians are not only fun-loving but are modern individualists and proud of their nation.

Under the guidance of Mrs. Bailey, Journal advisor, the Journal staff, this year functioned smoothly in putting out the bi-weekly paper. Because of the high advertising sales, which help to support the paper, the Journal completes this year of publication "in the black." The IBM machine, on which final copy is typed, has been largely paid for. A large new light table, which cuts pasting-up time in half, was made possible by a gift from Walla Walla Hi-Y, boy's service club. Mr. John Largent, Judy's father, designed and built the light table.

Exchange papers, which number almost seventy, come from schools as far away as Hawaii, Texas, and Rhode Island.

Special editions of the paper included the Homecoming issue, a senior issue, and the fourth annual creative writing issue.

The Journal staff included co-editors, a feature editor, an exchange editor, nine straight reporters, a business and advertising manager, an advertising staff of five, three typists, and a staff photographer. Working as a team, this group of twenty-five made the Journal what it is—a well-written, stylish paper of which the school can be proud.

At the light board are Joan Hansen, Caroline Hibbard, and Sally Epstein.

At the IBM machine are Cecily Koch, Art Sauer, Suzanne Colwell, and Dawn White.

The Royal Blue Staff had a very successful year. Many new and interesting ideas were learned and used in the "1962" yearbook.

In October, Susan Leslie, Bonnie Moser, Sue Hascall, Wayne Modine, Sue Newhouse, Ann DeBunce, and Miss Gray went to Seattle to the University of Washington yearbook workshop. Upon returning, the editors and staff members busied themselves with putting together an altogether different annual, which included an entirely new cover. Dick Mathews, Mary Bean and Phyllis Gardner joined the staff for part of the year. Others helped in their spare time.

Four deadlines later found the junior staff members beginning work on the Royal Blue Spring supplement and dreaming of ideas for the 1963 Royal Blue.

The Key Club has been very active this year by participating in various school and community activities. Some of the most significant in direct concern with our school are the placement of the new orange trash barrels around Wa-Hi, participation in various jobs at football games, and sponsorship of a Frolic during the basketball season. The Club was the winner in the selling of Basketball Booster tickets, and also the winner in service points for the first semester and probable winner for the year. Community activities include the distribution of March of Dimes canisters, the reconditioning of Camp Kiwanis in the fall and spring, and the sponsorship of a Thanksgiving Basket. Several Key Clubbers attended the District convention in Redmond, Oregon, this spring.

W W Hi-Y

W. W. Hi-Y completed a busy schedule this year. The club put up bulletin boards, and donated Christmas baskets, ushered at various events throughout the school year, made trash barrels for the school and earned money through a bottle drive. A frolic was given and was greatly appreciated by all.

Equites was a very busy group throughout the '61-'62 school year. Some of their many activities were parking cars at football games, building a float for homecoming, pleasing everyone with a large bonfire which was burned immediately after the serpentine and ushering for different activities in the evening. In addition to this they had a service project each month and continued to support their Greek orphan. Mr. Richard Poole was welcomed as advisor and the group wishes to congratulate him on his first year of service.

"Good Housekeeping"

GOOD HOUSEKEEPING, presented November 17 and 18 by the Senior Class, was a great success, dramatically. The three act comedy by William McCleery concerned a college president's wife who was no longer indispensable to her grown family.

The stage crew—Bill McLean, Mary Bristol, Sue Morris, Janice Nichols, and Susie Boatman—assembled for the last time the stage flats used since 1935. Assisting Jon Guinn in this undertaking was co-stage-manager John Rengstorff. Pauline Hart was business manager and Betsy Franzen prompter. Class officers Jeff Campbell and Virginia Mertens handled tickets, while Walla Walla and Equites Hi-Y's ushered. Cecily Koch, Pam Bafus, Marilyn McIntosh, and Margaret Cornelison worked on publicity, and Cathy Andres was in charge of programs. The stage crew collected properties, and the actors did their own make-up. A cast party and gift to Mr. Patterson climaxed the weeks of work.

The Wa-Hi Chapter of the Projectionist Clubs of America is one of 1,200 school projectionist clubs organized in the United States, Canada and Mexico for the purpose of carrying on duties and responsibilities of projecting educational motion pictures and other audio-visual aids in the classrooms. The club holds its meetings bi-monthly. This year the club donated five records to Sequin School, eight dollars for lamps which two members worked fifty hours to build, and one member donated cloth for upholstery. Two members put in nine hours operating projectors for the Veterans' Hospital.

Speech

Yes, our speech classes are this close, but definitely not this exclusive. At the beginning of the year many students sat tensely throughout every period dreading those "get acquainted" speeches. As the months went by, however, and we gave demonstration, Christmas, inform, convince, banquet, gain action, impress and entertain speeches, we had confidence more and more in the work we could do. This confidence came not completely from that speech given so perfectly—most often it came with the seeming failure speech. By making a mistake once, we stopped fearing mistakes and learned how to overcome them. None of it was individual work; we improved together, criticising or praising helpfully. Those first weeks suffering were worth it. Now we're all eloquent—almost.

Drama Club

The objectives of Drama Club are to provide background and experience for students interested in drama, provide a source of acting talent for school dramatic activities, interest students in drama, and provide for upkeep of the stage. This year the Wa-Hi Drama Club has had many activities. Many of the members have been active in the plays "Good Housekeeping" and "On Borrowed Time." The club has also had several successful parties. This year the club hopes that it has instigated a tradition for the group with its school calendars.

Thespians

Troup 2156 of the National Thespian Society was officially installed in May of last year and had an excellent year under the inspiration of Mr. Patterson, advisor. The purpose of Thespians is improvement of the dramatic arts in secondary schools. Thespians is entirely separate from Drama Club. Their one big project was the Children's Theater production, "Rumpelstiltskin." The troupe holds three formal initiations a year at the Marcus Whitman Hotel. Membership is awarded for meritorious participation in drama.

Quill and Scroll

Quill and Scroll, international journalists' honorary, this year initiated thirteen new members from the JOURNAL and ROYAL BLUE staffs. To be eligible for Quill and Scroll, a student must be in the upper third of his class, and must have been on the staff for at least a semester, and must do outstanding work in some phase of journalism. The new members, after being initiated at a candlelight ceremony, were honored at the first annual publications banquet, March 13. At the banquet each initiate was recognized and presented his Quill and Scroll pin.

Again this year Quill and Scroll sponsored the administration of a national current events quiz given to all students in social studies classes. The winning papers were submitted to national headquarters in competition with other schools throughout the nation.

Society

The National Honor Society is an honorary organization formed for the recognition and promotion of the qualities of service, character, leadership, and scholarship. It is purely an honorary society; therefore, its only activities are twice-yearly tappings of new members, initiations, and a banquet.

Each year one senior member of the National Honor Society is offered a scholarship.

"Moon Over Mudville"

The "Hog Stomp" was the annual Sadie Hawkins dance held February 9, 1962, in the Girls' Gym and sponsored by Girls' League. This dance was held on behalf of all of the boys at Wa-Hi. The chaperones stuck with these crazy hog stompers were Mr. and Mrs. R. L. Olson, Mr. and Mrs. Ilo Wilson, Mr. and Mrs. Russell, Mr. and Mrs. C. L. Roberts, Mr. and Mrs. Dare Chamberlain. The rip-snorting music was presented by the "Gems", a musical group of Wa-Hi students. The best dressed couple at the dance was Barbara Pierce and Jerry Nelson. Mr. Dare Chamberlain, "Marryin' Sam", was the man who would marry any willing couple for only one dime. The royalty, chosen for the size of their lowest appendages, were King Mike Dunham, Junior prince Jim Matthews, and Sophomore prince J. R. Edington.

"Country Christmas"

"Country Christmas" was the theme chosen for the annual F.F.A. dance held December 22, 1961. Kathy Czyhold was crowned "F.F.A. Sweetheart" by F.F.A. president Jerry Zahl. Music was furnished by the Five Knights, a local group which includes several Wa-Hi teachers. Fir trees, decorated doors and mail boxes and a sleigh provided a Christmas aura.

The Walla Walla F.F.A. Chapter had a successful and active year. There were approximately 85 members taking part in the varied and useful activities, 40 of whom were actual Wa-Hi students.

Activities open to the members are crop raising, animal raising, farm machines, livestock and crop judging, parliamentary procedure, and basketball.

As money raising projects the Chapter sponsored a scrap iron drive, a turkey raffle, a cake sale, the F.F.A. Barn Dance, and the selling of tractor seat covers. As an annual money raising project, the F.F.A. Rodeo was held, open to anyone under the age of 18. This event features bulldogging, calf roping, stake racing, barrel racing and cow riding. The rodeo, held during spring vacation, was climaxed by the rodeo dance in the new exposition building.

The F.F.A. Banquet was held March 22, when awards were presented and local farmers honored for their support of the Chapter. The guest of honor, F.F.A. Sweetheart Miss Kathie Cyzhold, had already been crowned at the Barn Dance, December 22, 1961.

FHA

The overall goal of Future Homemakers of America is to help individuals improve personal, family and community living, now and in the future. To emphasize specific parts of this goal FHA has eight purposes. They are: to promote a growing appreciation of the joys and satisfactions of homemaking, to emphasize democracy in home life, to work for good home and family life for all, to promote international good will, to foster the development of creative leadership in home and community life, to provide wholesome individual and group recreation, and to further interest in home economics.

Important activities of FHA are: the advisors breakfast in September, the regional meeting in October, the mother-daughter Christmas progressive dinner, the demonstration day in March, the awards banquet in April, state convention or rally in April, senior breakfast in May, planning day picnic in June, the booth at the fair in August, the leadership training meeting in September, the style show for the junior high schools in February, a Halloween party for Blue Mountain Sanitarium, and a candle drive in November.

This year's purpose was to work for good home and family life for all.

Retail Selling

The Walla Walla Distributive Education Club participates in many activities throughout the school year.

Some of these activities are giving Thanksgiving and Christmas baskets to needy families, selling class rings and senior graduation announcements, managing the school store, "The Devil's Den," and doing display work downtown.

The highlight of the year was an employer-employee banquet held January 30. The club members were the guests of Dick Sherwood, manager of the Marcus Whitman Hotel, at an early morning breakfast in the Windsor Room of the hotel.

Students on the Thanksgiving basket committee were: Art Sauer, Gary Main, Dick Miller, Bonita Rebman, Darlene Harpe, Marylyn Irwin, and June Brooks.

Those on the Christmas basket committee were: Linda Linke, Wanda Kerley, Cliff Smith, and Rella May Faris.

Officers for the second semester were president, Cliff Smith; vice-president, June Brooks; secretary, Darlene Harpe; treasurer, Ricky Hilliard; and historian, Ron Reyburn.

GAA is a girls' sports club. The girls meet on Mondays and Thursdays and participate in various sports. This year they have played soccer, basketball, badminton, volleyball, and softball. As a special event, they went to Washington State University for a basketball playday where they participated with four other schools.

Math-Science

The Math-Science Club is for those people who are interested in math or science and want to spend extra time on projects. The club meets about twice a month and on occasions they have guest speakers. The Math-Science Club has a two fold purpose: to encourage individual student investigation and experiments and to provide a stimulating series of programs to acquaint the members with the many various fields of math and science.
